HISTORY OF THE CENTRAL ORPHANAGE OF NORTH CAROLINA

In August, 1882, The Colored Orphanage Association was formed in Henderson, North Carolina, by members of the Shiloh and Wake Associations. The idea was presented by Dr. Augustus Shepard, who noticed during his travel throughout the state the large number of homeless, neglected children.

At a later meeting the Association set out to find a suitable location for the prospective orphan home. Many difficulties were encountered and in October, 1883, a farm of twenty-three acres located one and one-half miles from Oxford on the Raleigh Road, was obtained for \$1,565.00. One-half of the price was paid at the time possession was given. The Orphanage was named the "Grant Colored Asylum."

The Grant Orphanage Asylum ceased to exist in 1887 when "The Colored Orphanage Asylum of N. C." was incorporated. The members of the board were Rev. Augustus Shepard, Rev. Joshua Perry, Rev. W. A. Patillo, Rev. Issac Alston, Rev. J. W. Levy, Mr. M. F. Thornton, Mr. H. E. Long, Mr. Henry Hester and Honorable H. P. Cheatham.

The Orphanage was incorporated as a non-denominational institution to receive children deprived of their parents and means of support, and to train them along religious, moral and industrial lines in order to fit them for useful law-abiding citizens.

When the Orphanage was known as the "Grant Orphanage" Rev. Joshua Perry was elected its first superintendent and Rev. W. A. Patillo was named General Agent. The Rev. Perry served for one year and was succeeded by Miss Bessie Hockin, a Canadian woman, who served from 1884 to 1886. Miss Hockin not only served without salary, but also donated her furniture to the orphan home. She had no income of her own and lived only by faith. It was during that time that Mr. Henry Hester, of Oxford, volunteered to pay all bills contracted in providing food for the orphans. Mr. Hester acted as Treasurer of the Orphanage until his death in 1901.

Rev. W. A. Patillo served as superintendent for the year 1886-1887. It was during his administration that Mrs. Adline Cogwell became connected with the institution as matron. Mrs. Cogwell not only received no pay, but worked to help support the children of the institution.

In 1887 the Board of Directors elected Rev. Robert Shepard superintendent without promise of remuneration. Rev. M. C. Ransom gave board to the new superintendent until a three-room house could be enlarged. The enlarged building served as the superintendent's home, boys' dormitory, dining room and kitchen. A few years later a girls' dormitory was built, and near it a laundry building was built.

According to data received from the superintendent's report of 1902-1903, a forty-four acre farm was purchased in 1895 at the cost of \$1,440. A little later an adjoining lot of four acres located directly in front of the Orphanage property was bought. On this land a home for the superintendent was erected. It was a frame structure consisting of nine rooms. A small store room in the house was used for storage of clothing. Shoes were kept in an outhouse located in the yard of the superintendent's home. A few years later a donation of three acres of land on which was located a well built house, was gratefully received. There were on hand numerous applications for admittance that had been deferred because of lack of space. On Thanksgiving Day, 1903, twenty young children and a matron moved into this new home, since space was made available for the new children.

Donations from Mr. B. N. Duke, churches, associations and fraternal orders were received yearly. Produce from the farm supplied the table, and cotton and corn were grown for the market. The proceeds from these sales helped greatly in meeting current obligations. The legislature of the State of North Carolina appropriated \$5,000 yearly to the institution. This amount was increased to \$10,000 during Rev. Shepard's administration. Rev. Shepard resigned his position at Oxford in 1907 in order to help with the establishment of the Orphanage in Forsyth County near Winston-Salem, North Carolina.

Mr. H. P. Cheatham, ex-Congressman and a member of the original board of incorporators, succeeded Rev. Shepard as superintendent. Mr. Cheatham served as superintendent from 1907-1935. In keeping with progressive ideas brick buildings were constructed during his administration to replace the original frame buildings. The bricks were made on the Orphanage grounds by the boys. The buildings erected were a boys' dormitory, girls' dormitory, chapel, dining room, laundry and dormitory for small boys. The Angier B. Duke School and Office Building were erected during this time, a gift of Mr. B. N. Duke. The farm was increased until it reached the size of 400 acres.

The Orphanage was re-incorporated in 1927 under the name "The Colored Orphanage of North Carolina." The following were named to the board of directors: M. F. Thornton, M. C. Ransom, J. W. Levy, J. C. Jeffries, J. E. Shepard, N. A. Cheek, Alex Peace, G. C. Shaw.

Under the act of re-incorporation it was authorized that the Governor of North Carolina would appoint five white men of Granville County as members of the board of directors.

In 1935 Mr. H. P. Cheatham died, and his son, Charles, succeeded him as superintendent. Mr. Charles Cheatham served for two years. At the end of the period he resigned to accept work in a northern city.

Mr. T. K. Borders was elected superintendent in February, 1937. His program emphasized the improvement of living conditions; special attention was given to health, diet, discipline and play. During the administration of Mr. Borders many improvements were made in the physical plant among which may be mentioned the installation of a heating plant in the boys' dormitory, addition of laundry equipment and also sewer connection with the main sewer system of the city of Oxford. On October 15, 1940, Superintendent Borders died. The Orphanage was directed by its Assistant Superintendent, Mr. C. A. Alston until March 1, 1941, when Mr. T. A. Hamme was elected superintendent.

Mr. Hamme found at the Colored Orphanage a definite need for continued physical and cultural improvements and the development of a definite vocational and recreational program. During his administration considerable progress was made along these lines, and efforts were made to have the institution meet standards set by other educational institutions of the state. Buildings were screened and the interiors renovated. A new modern dairy barn, stable, shop and superintendent's home were erected.

In 1946 a special financial campaign was begun to secure funds for an expansion program which included remodeling of the girls' dormitory, new boys' dormitory, vocational building, girls' cottage and infirmary.

The loss of the boys' dormitory by fire on March 20, 1948, necessitated the use of all available funds to replace the building. This dormitory was known as the Robert Shepard Building. The citizens of the entire state of North Carolina and elsewhere contributed their finances to make possible the new Robert Shepard Building, which has been in use since 1949.

Emphasis has been placed on the development of the individual child to his fullest potentialities. A scholarship fund has been established by Robert Shepard, Oxford mortician, to enable those children who have ability to continue their training above the high school level. Under this program ten children have completed courses of study beyond the high school level.

There have been improvements made in the establishment of a well-rounded vocational program. The Carver Vocational Building, given by the New Farmers of America, was put in use in 1950. The boys are taught shoe repairing, farming, dairying, general repairing and care of the lawn. This training is given through work experience.

The development of a full time sewing department greatly reduced the cost of clothing and furnishes the main part of the vocational training for girls. In addition, the girls are taught laundering, cooking and general housekeeping.

Though there has been no full-time director of recreational activities, there is a realization of the important part that this activity plays in the child's growth. More opportunities for play and socializing minimize the behavior problems of the group. The program is in a stage of development, and at the present time free play, movies, bus rides, outings, ball games, Boy Scout programs, band and

choral activities are the main recreational features.

On April 15, 1951, Superintendent Hamme died. D. O. Leatherberry was appointed by the Board of Directors as acting Superintendent until August 31, at which time Reverend T. H. Brooks was elected Superintendent and began his duties September 1, 1951. The steady progress of the past decade is being continued with emphasis on all needs of the children.

The present objective of the Orphanage is to provide physical care, individual understanding of the child and his problems, and to give training to enable the child to become an asset to the society in which he must live. Consequently, greater care is given to the selection of children in order to reduce the number of unhealthy and mentally defective that have been frequently admitted. The children's health has been very good, accentuated by the fact that there have been no deaths or serious illnesses for a number of years.

The institution is continuing to expand its facilities in the effort to meet the ever increasing need for its service in keeping with present day trends. More than \$1,000,000 has been raised and spent from contributions alone for improvements of a permanent nature during the administration of Reverend Brooks. The following lists a few of such accomplishments, new and modern bathrooms in the girls' dormitory; new heating plants in school building, girls' dormitory and little boys' dormitory, complete renovation of Cheatham Building which houses the auditorium and dining room; complete renovation of little boys' dormitory and Angier B. Duke School Building and the building of the freezer locker. The Annie Rogers Cottage has been rebuilt and provides housing for a staff member.

In the fall of 1961 a new one-family dwelling unit, known as The Gregory Cottage, was completed on the institution's campus. This unit constructed of brick veneer, consists of five rooms and bath and was erected for the use of the institution's assistant superintendent and his family. The cottage is named in honor of the late Mr. Francis Gregory of Deamington, Ontario, Canada, who had great interest in the Colored Orphanage and was a native of Granville County, North Carolina.

By an act of the 1965 State Legislature, the name of the Colored Orphanage of North Carolina was changed to the Central Orphanage of North Carolina.

During 1967 a gymtorium was erected on the Central Orphanage campus. A dual-purpose structure, it accommodates adequate seating space for large gatherings, and also serves as a Recreation Center for the institution. The facility was built at a cost of \$140,000.00 excluding equipment.

The Reverend Dr. T. H. Brooks, Superintendent, died on June 17, 1968. An interim Committee composed of H. V. Bryant, Assistant Superintendent, and Mrs. J. H. McDougle, Budget Officer, was named by the Board of Directors to be responsible for the institution's immediate operation pending the election of a successor to the late Dr. Brooks.

H. V. Bryant, Assistant Superintendent, was named by the Board of Directors to the position of Superintendent February 11, 1969.

TO THE BOARD OF DIRECTORS
CENTRAL ORPHANAGE OF NORTH CAROLINA

We review the year ending June 30, 1971, noting achievements in some directions and also giving attention to our critical needs.

On the positive side we are grateful to the 1971 Legislature, the State Department of Administration and the State Department of Social Services for their interest and assistance as we desperately sought funds for our work. We found an attentive ear wherever we sought aid and we believe we strengthened the foundation for our future requests.

Central Orphanage has qualified as a boarding home facility under the AFDC-Foster Care program, which allows us to receive assistance from the counties placing children under our care. This approval is tentative, under the understanding that we shall immediately take steps to improve our housing units, and plan to replace the outmoded and obsolete dormitories.

The State of North Carolina increased our grant-in-aid to \$158,500 for each year of the coming biennium. We appreciate this much needed revenue, though this was not our total request.

The laundry building is nearly completed and at this point the cost has been \$25,364.61.

The Duke Endowment has announced a change in the manner of allocating funds to child-caring institutions which will reduce our revenue from this source by approximately \$20,000 per year. The change becomes effective in 1973, and in the meantime we need to seek funds from other sources to make up for this loss.

We were pleased to receive a special contribution toward a new cottage from the Abbey of Gethsemane, Inc., Trappist, Kentucky. This came through our association with the Catholic Monastery in Granville County.

We are working to qualify for license through the State Department of Social Services. Perhaps you have noticed that the State is seeking to license all agencies which care for children away from their own home. It will be in the best interest of Central Orphanage to meet these standards as we explore the possibilities of financial aid from various sources.

First requirement is that we improve the housing situation, as the buildings here are obsolete and outmoded. We have obtained plans for one cottage to serve as residence for older girls,, at an estimated cost of \$100,000. This we hope to be the first of six cottages, eventually replacing the present buildings for girls and little boys.

As of June 30th we have \$43,800.00 available for capital improvements.

The second requirement for licensing is a lower caseload for houseparents. To comply with this we are limiting our enrollment to 120 children, from fifteen to twenty children in each of seven groups. With the smaller groups, the housemothers will be able to devote more time to the individual children in her care.

Despite the fact that we must devote much time to fund-raising, we know that the development of the children in our care is our primary concern. The boys and girls are encouraged to participate in community activities. They visit relatives and friends during summer vacation and holidays. Various organizations and individuals offer social and educational activities for the children in neighboring communities, including such events as holiday parties and the circus. Some of the children are happy here, some are discontented. We do believe that when a child leaves he or she has become a more secure and stable individual.

We appreciate your interest and assistance in continuing the growth and development of this facility for child-care.

Respectfully submitted,
H. V. Bryant, Superintendent

ANGIER B. DUKE SCHOOL

Mr. H. V. Bryant, Superintendent

The elementary school curriculum has changed greatly in the last few years. Each change is in the interest of the child who attends school.

Every child deserves a good teacher and it has been my desire through the years to help each teacher do a good job. In addition to teaching the subject matter, teachers now must know how to release the creative capacities of pupils and how to work creatively with parents. Our school, for a number of years, has served the children of the community with a staff that constantly grows in service.

Meeting the needs of children is a world-wide concern. To do this effectively, people who are interested and care about children must understand and respect the rights and privileges of each other. This has been the spirit of each teacher connected with our school.

Mrs. B. G. Gooch, our seventh grade teacher, who taught here for a number of years, resigned in September because of illness. She was a teacher who took every opportunity to grow through travel, research and study. We have missed her in every phase of the school program. Mr. L. C. Adcock, the Superintendent of Granville County Schools, gave us an excellent teacher to take her place, Mr. John H. Vaughan. Mr. Vaughan is a native of Vance County. He has done an excellent job with the seventh grade class. He has worked cooperatively in every phase of the school program.

Mrs. C. H. McGhee, an excellent teacher in our school, will retire at the close of this school term. Not only will the school miss her, the orphanage will miss the untiring services which she has given it for so many years. I was about to say that I do not know what I will do without her helpfulness next year; however, I will not be here as Principal next year, for I too am retiring in June.

May I take this opportunity to thank every teacher for his and her cooperation, loyal support and helpfulness through the years. I am deeply grateful to the Superintendent of Granville County Schools, Mr. L. C. Adcock, and the Superintendent of the Central Orphanage, Mr. H. V. Bryant, for their interest and leadership through the years.

Mrs. Lena G. Smith, Principal

REPORT OF CLOTHING SUPERVISOR

Mr. H. V. Bryant, Superintendent

It has been a pleasure working with the girls and the staff again this year.

During the year we were able to make many garments from denim material donated by the Cone Mills Corporation and from materials donated by various churches, clubs and department stores throughout the state of North Carolina.

The following articles were made in the sewing department from November, 1970 to June 30, 1971:

Dresses	52	
Dish Towels	7	Dozen
Kitchen Curtains	6	Pairs
Pot Holders	1	Dozen
Slacks	16	
Pant Suits	4	
Choir Robes	8	
Hats	3	
Pants (girls)	30

Mrs. S. N. Watkins, Clothing Supervisor

REPORT OF FOOD SERVICE SUPERVISOR

To: Mr. H. V. Bryant, Superintendent

It is indeed a pleasure to report on a very successful year. It has been a year of disappointment, enjoyment and hard work. The struggle has been rewarding and worth the effort put forth by everyone.

Despite the dry season the quantity and quality of the fruits and vegetables were good. The preservation and preparation of fruits and vegetables were a part of the educational training the girls received.

I am pleased to express my appreciation to the staff and the children for the excellent cooperation I received this past year.

Respectfully submitted:
Mrs. M. E. Cooley
Food Service Supervisor

REPORT OF THE FARM MANAGER

To: Mr. H. V. Bryant, Superintendent

It is a pleasure to report to you the results of a very successful farm year.

The season was not favorable at all times, but the struggle was worth the yield of good quality and quantity produce. At the end of the harvest the yield for the year was:

Corn	218	Dozen
Turnip Greens	127	Bushels
Peas	78	Bushels
String Beans	46½	Bushels
White Potatoes	44	Bushels
Sweet Potatoes	54	Bushels
Apples	123	Bushels

Pears	8	Bushels
Okra	11½	Bushels
Tomatoes	25	Bushels
Cabbage	20	Bushels
Squash	20	Bushels
Onions	15	Bushels
Watermelons	355	
Cantaloupes	290	
Silage	95	Tons

The staff and students are to be commended for their cooperation for making the year a successful one.

Respectfully submitted:
W. T. Cooley, Farm Manager

REPORT OF THE DAIRY MANAGER

To: Mr. H. V. Bryant, Superintendent

As we come to the end of another profitable year for the dairy, we take great pleasure in sharing with you the annual report.

At the end of the preceeding twelve months, our gross income for dairy production totaled more than \$20,000. We had 4,429 pounds of slaughtered beef.

We attended the North Carolina District Junior Dairy Show. We took two heifers that received prizes. We also attended the county show and took two heifers and they, too, received prizes.

Our major aim is upgrading our dairy and to produce more grade "A" milk.

Status Code
34 Milch cows
6 Bred Heifers
8 Heifers too young to breed
14 Animals for Slaughter

62 Head of Cattle

Thanks to all who helped to make the activities of this department successful.

Respectfully submitted:
Frank Howard, Dairyman

REPORT OF THE BARBERING DEPARTMENT

To: Mr. H. V. Bryant, Superintendent:

I am pleased at the reporting period to have the opportunity to express my appreciation to you and your staff for the most excellent cooperation toward making our barber shop activities a success this year.

The barber shop students have been increasing their knowledge as well as gaining practical experience in barbering. Along with the practical phase of barbering, students have been studying barber science, which deals more with the theoretical foundation and gives purpose to the practical work.

In possessing scientific knowledge of barbering, students become professional practioners; without it, students remain mere mechanics.

We are happy to have all new electric clippers for the barber shop department. My thanks to everyone for the fine cooperation we received.

Respectfully submitted:
E. L. Tyler, Instructor

SHOE SHOP DEPARTMENT REPORT

To: Mr. H. V. Bryant, Superintendent:

We are very thankful for the privilege of expressing our appreciation to you and your staff for the cooperation received during the past year in helping to

make the work of the shoe shop department a success.

Students are learning to repair shoes and learning to recognize a quality shoe by its construction. A good deal of time is spent in repairing work shoes.

These boys help to take care of all the repair work done for the institution as they repair whole soles for boys and girls.

The boys are taught the different grades of leather, suede and other material that are used in making good shoes.

Respectfully submitted:

J. M. Cureton, Shop Instructor
